R. Steven Orr joins IWIF as Senior Vice President, Information Systems

(TOWSON, Md.) — R. Steven Orr, CPCU, recently joined IWIF Workers' Compensation Insurance as senior vice president of Information Systems. Mr. Orr is responsible for managing all aspects of IWIF's information systems operations.

Prior to joining IWIF's senior leadership team, he was a consultant to IWIF for nine months. Other past experience includes president of Life Settlement Providers, Maryland Insurance Commissioner, and senior vice president and chief information officer for Universal Underwriters group, a member of Zurich Financial Services, Inc. He has also been an entrepreneur having started and run a computer integration business in Baltimore for 14 years.

Mr. Orr has more than 30 years experience in insurance, banking and small business. He holds a CPCU (Chartered Property Casualty Underwriter) and Certificate of Insurance designations, a bachelor's degree from Wake Forest University, and a master's in business administration from the Darden School of the University of Virginia.

He is a congregant of Epiphany Episcopal Church in Dulaney Valley where he serves as senior warden.

Established in 1914, IWIF is the leading writer of workers' compensation insurance in Maryland. IWIF is a self-supporting insurance company that operates solely from premium and investment income.
