

# Safety, Savings & Services

ABC  
members  
could save  
**7.5%**  
off Chesapeake  
Employers'  
eligible tiers\*

## With Chesapeake Employers and **ABC COMP Advantage**

The Maryland ABC chapters and Chesapeake Employers proudly offer qualifying ABC members an exclusive workers' compensation insurance program featuring program discounts and expert safety services to help reduce workplace accidents.

### Superior Services

This program provides participating members with customized safety services designed to help create a safe workplace to reduce the potential of workplace accidents. In addition, the program provides these services:

- Comprehensive safety services including dedicated consultants, training resources and assistance in developing a safety culture
- Fast and easy E-Services for 24/7 injury reporting, quotes, renewals, certificates, loss runs and payment processing
- Integrated claims and medical management services handled by experienced claims representatives and nurse case managers
- Flexible pay plans/multiple payroll service options
- Fraud prevention, detection and investigation services
- Competitive pricing

Agents, please refer to the Chesapeake Employers' Producer Guide for program details.

### Minimum eligibility requirements\*

Exclusively available to members of the Maryland ABC chapters. Participants of the program must be members of a Maryland ABC chapter prior to the inception date of the policy. Accounts must meet minimum underwriting requirements for placement in Chesapeake Employers' standard or preferred rating tiers. Residual accounts are not eligible for new business placement in the ABC program. Association members with ABC contracting class codes as the governing class are eligible for the program. Eligible tiers are defined within Chesapeake Employers' underwriting guidelines. Discounts provided by this program will not apply to out of state payroll. Other States coverage available per Chesapeake Employers' guidelines.
