Dear Policyholder,

On January 1, 2023, Chesapeake Employers' Insurance Company, your provider for workers' compensation insurance, will be fully affiliated with the National Council on Compensation Insurance (NCCI). This means that Chesapeake Employers will adopt NCCI's:

- Rating methodology

Starting with January 1, 2023 effective dates, you will be able to obtain your "Experience Rating Worksheet" directly from NCCI.

Soon, NCCI will send you a letter (sample on reverse side) containing instructions on how to create an NCCI account to obtain your experience rating electronically. You should receive your letter from NCCI approximately 120 days prior to your policy renewal date.

NCCI is the nation's largest information company serving the workers' compensation marketplace. Their services include the calculation of your workers' compensation experience rating. For more information on how NCCI calculates experience ratings, visit www.ncci.com.
